

Hamilton Celtic Pipe Band

In the spring of 2006 Pipe Major Sara H. Kent, invited three of her pipe students to assist her with several upcoming engagements. The students, appearing as the Hamilton Pipers, were rewarded for their outstanding performance by winning the approval by all in attendance.

The small group found there were other opportunities to share the proud traditions of their Celtic Heritage. New members joined, and the Hamilton Celtic Pipes and Drums of Pottstown, PA were formed.

Individual members wear traditional kilts of their own choosing. The colorful tartans are representative of their family, clan, memorial, national, provincial or district tartans. Pipers play many traditional Scottish, Irish, American, and Patriotic tunes, many of which are recognizable song tunes.

The Hamilton Celtic Pipes and Drums are under the direction of Pipe Major Sara H Kent with Richard G Clark, Drum Major.
