

## Reid School of Highland Dance

The non-profit Philadelphia Highland Dancing Association was founded by Marguerite Reid over 60 years ago. The school, the Reid School of Highland Dance performs at various venues such as the Green Lane Scottish Irish Festival and Philadelphia St. Andrew's Society events such as their Tartan Ball.

Their dancers also currently compete throughout the Eastern Region of the US and historically have competed throughout the US, Canada and Scotland. A special memory for the school was performing with the Davidson School at the Kennedy Center Honors Gala for Sir Sean Connery, the President and other distinguished guests when Mr. Connery received the honor in 1999.
