

## Trinity

**JOHN CRONIN** was born in a small town in Vermont a few miles from the Canadian border. He is Trinity's lead singer, whistler, percussionist, and songwriter. He is acknowledged by businesses and other organizations to be a key community builder for Vermont's lively Celtic scene. Professionally, he is an event organizer, fund raiser and award winning public speaker. He has written original material for festivals, churches, political and social events, weddings, charitable agencies and fund raising events. He is a natural entertainer and his ability to connect with audiences is a strong attribute, and adds much to the experience.

**JOHN DODSON** was born in Reading, Pennsylvania, and is an accomplished fiddler, but also plays every stringed instrument you can think of. His sense of harmony and musical wisdom are a delightful addition to the band. John is devoted to his craft and it is evident that he is a perfectionist. He is a "thinking musician," but is surprisingly playful on occasion. He has played guitar with various groups throughout Pennsylvania and Vermont and has also enjoyed playing sessions in Ireland. John is a wonderful balladeer and is the key musical anchor to Trinity's stage.
